

## Introduction to Applied Science (Level 4)

West College Scotland

### Venues

Greenock (Finnart Street) Campus

### Content

This course introduces you to different areas of science such as chemistry, physics and biology as well as providing an opportunity to develop the types of practical skills needed by laboratory scientists.

You'll learn about:

Chemistry, Human Body, Medical Physics, Forensic Science, Cells and DNA, Numeracy.

### Start Date

August

### Qualification

NQ

### Study Method

Full time

### Course Length

1 year

### Department

Science

### Entry Requirements

No formal entry requirements. Subject to interview.

### SCQF Level

4

### SCQF Points

«SCQFPoints»

### Progression Routes

NQ Applied Science (Level 5) or other course at Level 5

## Combination Courses

«htmlCombinationCourse»

«htmlCombinationUCASCode»

## Address

Renfrew Road  
Paisley  
Renfrewshire  
PA3 4DR
