

## Pharmacy Studies: An Introduction (Level 4)

Edinburgh College

### Venues

Sighthill Campus

### Content

As a future Pharmacy Technician or an employee in a pharmacy setting, you are required to meet the professional standards governed by the General Pharmaceutical Council (GPhC), which sets out the code of conduct, performance and ethics that govern you as a future health professional. If you plan to progress to a higher course after Pharmacy Studies Preparing for Practice, you will need to consider the registration criteria and professional standards set by the GPhC (as they are the UK regulator for pharmacy practice). We ask that you read up on the GPhC standards now so that you are prepared when applying in the future.

### Start Date

August

### Qualification

Other

### Study Method

Full time
