

Business and Accounting

South Lanarkshire College

Content

This course provides an exciting new opportunity to study both Business and Accounting within the one course to achieve two National qualifications between August and June.

You will study key business areas in: book-keeping; business communication; economics; financial, computerised and management accounting; financial services; marketing; Microsoft Office applications for business purposes; wages and salaries.

Continuous attendance and successful completion of all assessments will result in the achievement of an NC in Accounting and an NC in Business.
