

## Carpentry and Joinery (NPA)

South Lanarkshire College

### Content

The NPA Level 5 Carpentry and Joinery provides the essential practical skills and industry knowledge required to begin a career in the construction sector. This hands-on qualification is ideal for those who want to become carpenters and joiners or progress into related roles within the built environment.

Whether you are progressing from a Level 4 Introduction to Construction course or bringing relevant workplace experience, this programme helps you develop the confidence, technical ability and work-ready skills employers are looking for.
