Access to Premedical Studies and Allied Health (SWAP)

Glasgow Kelvin College

Venues

Springburn Campus

Content

Your first step towards Medicine, Dentistry, Veterinary Medicine, life sciences or Allied Health careers - with extra preparation and support.

This Scottish Wider Access Programme (SWAP) course is designed for adults returning to education who aspire to study Medical, Dental, Veterinary, or Health Science degrees, but who need more preparation before progressing to our Access to Medical Studies and Allied Health programme.

You'll study Biology, Chemistry, Maths, and Communication Skills in a supportive environment, building your knowledge and confidence for higher-level study. The course provides the scientific foundation needed for future health and life-science routes and can also lead to HNC/D programmes or degree-level study in science-based subjects.

Core subjects include: Biology and Chemistry.

Core skills including: Maths and Communications.

Start Date

August

Qualification

Access to FE/HE
