Healthcare Practice (Nursing Degree Link Route)

North East Scotland College

Venues

Aberdeen City Campus

Content

The purpose of this course is to prepare our future healthcare professionals to thrive within today's health and social care services. You will be provided with the skills, knowledge and critical ability to provide person-centred care.

You will mainly work with people over the age of 16. Your role will involve working with individuals, families and communities to promote health and wellbeing, prevent illness and enable people to maintain and improve their physical and mental health.

You will be expected to support individuals through all stages of the life cycle including end-of-life and palliative care.

This course is for those wishing to articulate into Year 2 of an Adult or Mental Health Nursing degree at RGU, or a Learning Disabilities Nursing degree at Edinburgh Napier University after the course.
