

Nail Technician (Level 5)

Glasgow Clyde College

Venues

Cardonald Campus

Content

This NQ Nail Technician course is an exciting and intensive course that focuses solely on nail care techniques and treatments.

The course focuses on developing popular nail technical skills with access to the latest techniques/trends and provides a well-rounded foundational knowledge.

The concentrated learning and experience of an intensive nail program can greatly impact earning potential and career prospects in the ever popular nail industry.

During this full-time NQ Nail Technician course, you will learn the basic applications of nail treatments, including manicure, pedicure, and develop skills in applying nail art, tips with overlays, gel polishing and other related subjects to NC level 5.

During training you will initially work on fellow classmates and then progress to working on real clients. You will also be required to model for treatments yourself.
