

## Lash and Brow Technician (Level 5)

Glasgow Clyde College

### Venues

Cardonald Campus  
Langside Campus

### Content

This short full-time course is an exciting introduction for anyone who wants to get into the beauty industry at a junior level as a technician, or progress to higher level training courses. You'll learn all the latest lash and brow treatments, trends and techniques, and how to use tools and products effectively and safely - working on your classmates first and then graduating to real clients.

During this short full-time NQ Lash and Brow Technician course, you will learn and develop the basic skills in applications of popular lash and brow treatments, such as:

Lash and brow tinting; Lash extension applications; Eyebrow shaping and lamination; Waxing; and other related subjects to NC Level 5.

### Start Date

August

### Qualification

NQ

### Study Method

Full time

### Course Length
