

Access to Nursing with ESOL (SWAP)

Glasgow Clyde College

Venues

Anniesland Campus
Cardonald Campus
Langside Campus

Content

Access to Nursing with ESOL is run in partnership with Scottish Wider Access Programme (SWAP). It is designed to prepare adults returning to education where English is not their first language with the knowledge, skills and understanding required to allow progression to degree programmes in nursing or health-related fields, for example a paramedic degree, or to progress to further studies in related HNC programmes.

The course is accepted by partner universities in lieu of other entry qualifications. It also includes intensive guidance to develop confidence, core skills and aims to maximise the chance of successful progression to higher education.

Contents Include:

Foundations for care practice; The human body; Numeracy; Introduction to mental health; ESOL Level 6; Report and essay writing skills; Preparing for higher education; Other nursing / health / science related units.

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year

Department

Health Care

Entry Requirements

National 5 ESOL. You should have been out of compulsory education for at least three years, although exceptional circumstances will be considered, and your highest qualification should be a non-related HNC. You will be invited to attend an interview.
