

Mechanical Engineering

North East Scotland College

Venues

Aberdeen Altens Campus
Fraserburgh Campus

Content

Grow your understanding of the key principles and technology that underpin mechanical engineering.

You will cover a wide range of important topics, subjects include: Thermofluids; Statics and Strength of Materials; Dynamics; Pneumatics and Hydraulics; Engineering Principles; Quality Management; Materials Selection; Communications; and Mathematics for Engineering.

Start Date

August

Qualification

HNC

Study Method

Full time

Course Length

1 year

Department

Engineering

Entry Requirements

Higher Maths; or NC Mechanical Engineering (Level 6); or other relevant national qualifications at SCQF Level 6.

SCQF Level

7

SCQF Points

«SCQFPoints»

Progression Routes

Direct entry to year 2 or 3 of an appropriate degree course at university.

Combination Courses
