

Accelerator Course in Beauty Make-up and Aesthetics

New College Lanarkshire

Venues

Motherwell Campus

Content

This fast track course is specifically designed to help you develop your skills and pave the way for an exciting entrepreneurial journey. You will learn various techniques such as facial with LED, current and creative make up applications, eye enhancements including lash lift and eye brow artistry, creative nail treatments including gel polish and spray tanning.

Throughout this course you will receive hands on training from experienced educators who will guide you through every step of the process. You will learn the best practices for each technique and gain first hand experience that will prepare for progression in further study or to work in the beauty industry.
