

Health, Wellbeing and Social Care

Open University in Scotland

Content

If you want to make a real difference in people's lives, this Certificate of Higher Education in Health, Wellbeing and Social Care is the perfect starting point. Whether you already work in health and social care, use services yourself or want to better understand how adults are supported in the care system, this course offers valuable insight. It provides an authoritative overview of the current context of adult health and social care, using real-life case studies to explore a wide range of engaging issues and debates. It's a strong foundation for career development or further study in this important field.
