Business Management (Graduate Apprenticeship)

Robert Gordon University

Content

Graduate Apprenticeships at Robert Gordon University are an innovative route to degree qualification, blending academic study with work-based learning which is supported by your employer. This Business Management course provides opportunities to develop in class and through online study of relevant theory with immediate application of practice through work-based learning activities.

The course provides the necessary underpinning in core business management knowledge, skills and competencies, as well as developing an appreciation of future business issues facing individuals and organisations, allowing you to contribute positively to your employing organisation in a range of ways, bringing your studies to life.
