### Content

This course is a great starting point if you are interested in either Childcare or Health & Social Care, and will allow you to make a more informed decision about your future career path.

You will receive a broad grounding in the many areas of Healthcare and Early Years Education which can lead to a wide variety of careers including Care Practitioner, Nurse, Teacher, and Social Worker, among others.

We've timetabled this course to fit around Nursery/School hours to allow parents to attend easily and take away the stress and expense of arranging childcare.

This course is also suitable for school leavers, parents returning to work, and anyone looking for a career change.
