

## Sound Production

UHI North, West and Hebrides

### Venues

Fort William Campus

### Content

If you're interested in sound production and engineering and would like to influence the music and sounds we listen to on a daily basis, the HNC Sound Production will give you the basic qualifications required to follow this path.

You could forge a career in studio recording and production, live sound and design, and multimedia application, including digital media, gaming and web sounds.

You will be prepared for all sound production environments, including recording techniques, production methods, live sound, broadcast audio and audio for multimedia.

### Start Date

September
