Sound Production

UHI North, West and Hebrides

Venues

Fort William Campus

Content

Influence the music and sounds we listen to on a daily basis by pursuing a career in sound production. Choose to pursue paths in studio recording and production, live sound and design, or multimedia application, including digital media, gaming, and web sounds.

Learn audio skills, digital audio workstations, sound production, recording and mixing, skills for business, sound for live events, and creative music re-mixing. This course forms the first year of the BA (Hons) Audio Engineering.
