Content

On completing the BA Gaelic, Students can then choose to progress onto the BA Hons Gaelic with Development, completing at least 4 of the Development modules over SCQF level 9 & 10. These modules are listed below.

This Gaelic-medium degree aims to provide students with an education and training in Gaelic language and community development. This is a growing area of the Gaelic jobs market, with the Gaelic Language (Scotland) Act 2005 placing statutory requirements on agencies to produce Gaelic plans by skilled language officers.

You will compare Gaelic and its communities with minority languages and cultures elsewhere, in Ireland, Wales, mainland Europe, Scandinavia and North America.
