Content

Whether you are leaving school, returning to education or contemplating a career change, this pathway course will provide you with a strong foundation in Health, Education and Social Care!

This SCQF level 4 course is specifically designed to equip students with the underpinning knowledge and skills required to work in a range of Health, Education and Social care settings. Throughout the course, you'll have the opportunity to apply your newly acquired knowledge to real-world scenarios through engaging case studies, as well as gain valuable industry experience via work placements.
