Content

The University of the Highlands and Islands offers you the opportunity to undertake a nursing degree in the Highlands and Western Isles of Scotland, leading to professional registration as an Adult or Mental Health nurse with the Nursing and Midwifery Council.

This BSc Nursing Programme is an innovative programme that combines the best of teaching, technology, simulation and practice experience to prepare you for an exciting career in nursing.

You will experience nursing care in a range of different hospital and community settings and you may have the opportunity to undertake some time on an international elective experience.

Your programme will provide you with the knowledge and skills to gain entry to the Nursing and Midwifery Council register as a nurse.
