Content

Introducing this ground-breaking new undergraduate programme at Heriot-Watt University, BSc (Hons) Games Development and Production, exclusively launching in the vibrant city of Edinburgh.

Led by acclaimed industry expert Dr. Thomas Methven, a Bafta award-winning indie developer, you'll acquire sought-after skills in game design, 3D graphics, UI/UX, and more. The expert teaching team will guide you through gaining real-world experience in designing, building, and releasing your own games.

In recent years, Edinburgh has firmly established itself as a global hub for the gaming industry, surpassing major sectors such as AI, Data Science, and Cyber Security. This undergraduate programme seeks to bridge the gap within Edinburgh's thriving gaming ecosystem, driven by industry giants like Rockstar North, Epic Games, and Unity Technologies.
