

Environmental Science (with a year in industry)

UHI Moray

Venues

Main campus
Virtual Learning Environment (VLE)

Content

During the 5-year BSc (Hons) Environmental Science (with a year in industry) you will spend 1 year working alongside industry professionals, developing invaluable expertise, adding to your CV, and improving your career prospects ready for graduation. Expand your knowledge and key skills through course work in campus laboratories, access specialist analytical equipment across the university network, and make the most of opportunities to undertake a residential field module each year at locations throughout the region, as well as an international field module in your second year.

Start Date

September
