

Television and Film

Edinburgh College

Venues

Milton Road Campus

Content

HND Television and Film is the progression from HNC Television and Film at Milton Road Campus, but if you have an HNC in a similar subject area or a strong portfolio of relevant prior experience you may also be considered for a place.

The course will build on your research and writing skills, your technical skills in camera, editing, sound recording, lighting, audio post-production and colour correction. In addition you will learn to direct in various genres and styles, both factual and dramatic.

Content:

Directing for factual and non-factual productions; Working in different roles as part of a production crew; Working with external clients to a given brief; Advanced camera skills; Advanced editing skills; Critical analysis of texts; How to prepare a CV for working in the screen industries; Approaches to networking, self-promotion and work experience.

Start Date

August
