Content

It’s okay if you don’t know what to do next. This Gateway to College course is designed to support you as you figure out which path to take. If you’re under 25, this is a chance to learn a wide range of skills which you can use to progress to other college courses, further training or employment. As you improve your confidence and work towards SQA qualifications, you’ll gain a clearer understanding of what careers will suit you best.

You will study:

Core skills units?; Employability units; Wellbeing award; Leadership award; Event planning; Personal development; Project-based learning that will help you explore different industries and college course options to create a plan that fits your goals.?

You'll also be supported with CVs, job searches and interviews for progression into employment.
