

## Social Sciences (in conjunction with the UWS) (3rd year entry)

New College Lanarkshire

### Venues

Motherwell Campus

### Content

Discover the next level of academic exploration as you enter the third year of our Social Sciences Degree programme. In collaboration with UWS, NCL offer you the chance to study at this advanced stage, which promises a deep dive into specialised modules, hands-on experiences, and opportunities to shape the future of society.

With a focus on social justice, power and inequalities, you'll investigate how we shape society through policy and critical thinking, analysing and undertaking research to better understand the impact of action and decision-making in the private, public and third sectors. With enhancing your employability at the heart of the design of this programme, you will successfully graduate with key transferrable skills in critical research skills, information literacy, data-handling and analysis and communication.
