

Professional Health Studies (3rd year entry)

University of the West of Scotland

Venues

Paisley Campus

Content

Establish a career as a healthcare professional with UWS's BSc (Hons) Professional Health Studies programme. This programme will help you understand the relationship between integrated health and social care systems. You'll develop critical and analytical problem-based learning skills as well as the transferable skills which reflect the demands made of today's healthcare professionals. This programme is designed to enhance the skills of health and social care professionals and those working in allied health services.
