Content

Are you interested in learning the skills to provide high quality care and education for children? This Access course is designed to support your first steps towards a career in Early Years. You will have the opportunity to develop your own confidence and skills. It will help you to develop the employability skills, knowledge and positive attitude needed to prepare you to work in the Early Learning and Childcare sector

This course includes both hands-on practical experiences and essential theory.

Here's just some of what you will learn :

How to work as part of a team; To build self confidence; About Children's Development; About the different types of play that support children's learning.
