Sighthill Campus

Content

This dynamic new course has been designed to equip you with practical skills and theoretical knowledge to ensure you progress in today's business environment.

It is aimed at individuals who wish to progress to an HNC study within Enterprise and Commerce. The general spread of the subjects makes it an ideal entry point to Business, Marketing, Legal Services, Policing or Finance, Administration and Accounting pathways. It allows students to explore a variety of functions within an organisation. The practical nature of the course makes it an ideal option for those looking to refresh, or gain new skills and are considering Higher Education.

You will gain a National Progression Award in Enterprise and Business.

What you will learn:

Accounting Studies; Basic Principles of Business Support Services; Business Communication; Finance; Law; Business Marketing and Management; Economics; Introduction to Legal Research and Writing; and, ICT Skills.
