Content

This course is for you if you need support to progress towards independent living, employment, volunteering or other services in the community. You will likely have completed our Skills for Independence course (or Steps Towards Independence/Entry to Learning L2 course) before applying for this one.

You will learn in a supported environment and develop your communication and social skills, as well as improve your ability to make choices. You will be capable of working at SCQF level 1/2 with some basic independent learning skills.

This course will help you move on to supported employment, volunteering or other services in the community.
