

Gateway to Media

Glasgow Clyde College

Venues

Cardonald Campus

Content

Do you love TV, film, magazines and social media? Are you a creative thinker who dreams of a career in the media? This course could be for you. You'll get the chance to work on an exciting range of media projects, from film scripts to graphic novels. You'll also get a communication skills qualification which will build your language confidence and help you work well with others, and you'll have a guidance tutor who will support you with personal development and employability skills.

During this Gateway to Media course you'll:

Complete media projects in press and magazines, media production, social media, comics and graphic novels, photography, television and film.

Learn a communications National 5 SQA qualification, helping you to improve your language skills and giving you the qualification you need to apply to further college courses.

Study employability and personal development qualifications at National 5 in self and work, volunteering and sustainability.

Complete voluntary placements and gain valuable experience that will support you in your future career.
