Content

The HND in Sports Coaching and Developing Football provides the knowledge and skills necessary to work as a professional within the sector. The topics covered range from human anatomy, physiology and biomechanics to sports coaching, sports development and professional practice — including research skills.

This qualification will provide structured opportunities to experience the culture required for successful employment in football coaching. It will allow you to develop confidence and interpersonal and leadership skills while enhancing your knowledge and expertise in football coaching.

Year 1 includes a stand-alone, industry-recognised Professional Development Award in Sports Coaching at SCQF level 7. Year 2 advances the PDA in Sports Coaching to SCQF level 8.
