

# **Creative Industries: Media (Level 6)**

Forth Valley College

#### **Venues**

**Stirling Campus** 

#### **Content**

This course offers an introduction to the exciting world of media. Designed to be engaging and relevant to your interests, it aims to equip you with a diverse set of skills and knowledge in both the practical and theoretical aspects of media.

Throughout this course, you will dive into hands-on activities, such as photography, basic web development, video production, and radio interviewing and podcasting. These skills will not only make you media-savvy but also open exciting career and progression possibilities. You'll also learn to analyse and create media content, understanding how messages are crafted and delivered to the public.
