

Creative Industries: Media (Level 6)

Forth Valley College

Venues

Stirling Campus

Content

This highly practical course will focus on several areas of media and digital media. Designed to be engaging and relevant to your interests, it aims to equip you with a diverse set of skills and knowledge in both the practical and theoretical aspects of media.

Throughout this course, you will learn skills in areas such as photography, video production, podcasting and social media. These skills will not only make you media-savvy but also open relevant career and progression possibilities. You'll also learn to analyse and create media content, understanding how messages are crafted and delivered to the public in a variety of mediums.

Content:

Video Production; Radio Production / Podcasting; Media Analysis; Social media; and Photography.
