Building Surveying

South Lanarkshire College

Content

The HNC Building Surveying course is designed to provide students with the essential skills and knowledge required to pursue a career in building surveying and the construction industry. This qualification is ideal for those who aspire to work as building surveyors, property managers, or in related roles within the built environment sector.

You'll gain skills in study, research, analysis, planning and learn to take responsibility for your own learning and how to work co-operatively.
