

Stepping into Health and Social Care (Level 5)

South Lanarkshire College

Content

This course is designed for candidates who wish to progress into the health and social care industry.

You will study a wide range of subjects that will develop knowledge and skills relevant to health and social care for all ages.

Subjects may include:

human development and behaviour, values and principles, human body, social influences, healthy eating and maintaining safety.

You will be supported by experienced members of the health and social care team who have backgrounds in Midwifery, Nursing and allied health professions, and social work.

On successful completion of this course you will receive a National Certificate (SCQF level 5) in Child, Health and Social Care.
