

Skills for Employment (Level 4)

South Lanarkshire College

Content

A practical, enterprise-driven programme where learners develop real workplace skills by running micro-businesses, organising events, managing social media, and completing an external work placement. This course is designed for adults who require additional support for learning. It develops core skills and promotes independence, personal development, and employability.

This course is designed for adults who require additional support for learning and are looking to progress to employment. It also develops skills required for further college study or entrepreneurship.
