

Access to Primary Teaching (SWAP)

New College Lanarkshire

Venues

Cumbernauld Campus

Content

SWAP Access to Primary Teaching is a course that will prepare you to embark upon a new career in education.

With direct progression to university degree programmes available, you will study National 5 Mathematics along with a range of social sciences units and core skills.

The programme has been designed in association with our partners at SWAP West who have many years of experience in navigating the adult returner's journey to becoming a Primary Teacher.

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year

Department

Humanities and Social Sciences
