Content

Musicians and performers are among the most disciplined and dedicated professionals within the creative industries. Hours are spent perfecting their skills – not because they have to, but because it's their passion. The music industry is highly competitive however just like our former student, Lewis Capaldi, with the right learning and education it's possible to get ahead of the competition.

Being the equivalent of a 1st year undergraduate degree, the HNC Music Course is delivered from the Motherwell Campus where you will be taught by industry professionals in dedicated rehearsal rooms and live performance areas.
