Sports Coaching

Edinburgh Napier University

Venues

Sighthill Campus

Content

This Sports Coaching course will help you to become a modern professional coach with an understanding of how sports science principles apply to athletic performance and helps athletes reach their potential and indeed their goals.

There is a strong emphasis on the practical application of theoretical knowledge. You'll gain the independent study habits, academic and employability skills and deliver volunteer coaching opportunities that will develop your knowledge and skills as and apply them into applied, real life, coaching situations.
