

Business and Management

UHI Orkney

Venues

Kirkwall

Virtual Learning Environment (VLE)

Content

In this ambiguous global economy this programme will enable students to not only consider business holistically, but also undertake complex problem solving - comprehending the interconnectedness of decision making; and effectively communicating those decisions to a wide range of internal and external stakeholders.

In years one and two, a programme of core modules is followed to ensure that a solid foundation is laid down. In year three and four you can choose to study for a generic degree in business and management or you can focus on one particular aspect such as human resource management, finance, marketing, enterprise, digital communication or business law. This will allow you to exit at the end of fourth year with a themed award, for example: Business Management with Human Resource Management.
