

Basic Welding Skills (Level 5)

UHI North, West and Hebrides

Venues

Stornoway

Content

Are you looking to start a new career in welding or simply explore this craft? This BASIC welding course will equip first-time welders of MIG and MMA with the fundamental knowledge and skills to weld.

You will learn the most commonly used welding processes of MIG and MMA (stick) welding work, practical instructions on the operation and applications, and the safe use and handling of the equipment.
