Content

This National Qualification in Health and Social Care is most suitable for school leavers and mature students who are interested in caring for adults in a health or social care setting.

This stimulating course provides students with the opportunity to study subjects related to health and social care at Higher level. You will enjoy a mixed course of theory and practice both in college and in a placement to suit your chosen specialism. Successful students will gain a qualification to work in care settings for adults.

The course is full time and commences in August. Students will be required to attend college 3 days a week and 2 days in a social care or health care placement.

This course integrates care related modules with the SVQ 2 Social Services and Healthcare course.
