

Rural Skills (Level 4)

UHI Orkney

Venues

Kirkwall

Content

The National Certificate in Rural Skills is designed to equip candidates with the knowledge, understanding and skills required for success in current and future employment or progression to further academic and/or professional qualifications. Many learners embark on current provision with limited prior achievement and, a key purpose of this programme is to support learners to build up employability skills and develop basic skills and capabilities which are transferable.

Careers in nature-based industries are changing in line with the industry which increasingly demands more and more professional skills, attitudes and expertise in an increasingly competitive marketplace.
