

Electrical/Instrumentation (SVQ) incorporating NC Engineering Systems

UHI North, West and Hebrides

Venues

Thurso

Content

Combining NC Engineering Systems and SVQ Performing Engineering Operations, you will gain a mix of theoretical knowledge, practical experience and industry connections, providing a strong foundation for a career in Engineering.

These qualifications satisfy the foundation training for a modern apprenticeship in electrical installation, engineering and control and instrumentation engineering.

This course offers good employment opportunities through our strong links with employers and is a potential route to a 2nd-year apprenticeship, allowing you to earn while you continue to develop your skills.

Day release is also available.
