

## Engineering Systems (Level 6)

UHI North, West and Hebrides

### Venues

Stornoway

### Content

This course is designed to meet the needs of students wishing to gain employment in a wide range of engineering disciplines or as a route to HNC/HND Engineering Systems and further progression onto the BEng (Hons) Mechanical Engineering; Electrical and Electronic Engineering; Electrical and Mechanical Engineering; Energy Engineering. This course gives the student an excellent integrated qualification and training to industry standard.

Subjects studied include:

Computer Aided Draughting; Strength of Materials; Pneumatics and Hydraulics; Engineering Thermodynamic; Engineering Dynamics; Engineering Prime Movers; Engineering Materials; Statics.

### Start Date

September

### Qualification

NC

### Study Method

Full time

### Course Length

1 year

### Department

Engineering, Construction and Technology

### Entry Requirements

3 subjects at National 5 including Maths and a science subject. Interview.

### SCQF Level

6

### SCQF Points

«SCQFPoints»

## Progression Routes

NC Mechanical Engineering (Level 6)
