

Fabrication and Welding (SVQ & NC Level 5)

UHI North, West and Hebrides

Venues

Thurso

Content

This programme combines the NC Welding and Fabrication with the SVQ Performing Engineering Operations SCQF 5 (Fabrication and Welding Route). These qualifications satisfy the foundation training for a modern apprenticeship in fabrication and welding engineering.

Units may include:

Practical skills in welding processes such as MMA, MIG, TIG NDT; Fabrication plate work and thermal cutting; Interpreting specifications, drawings and plans; Health and safety; Engineering, maths and information technology.

You will also develop your core, employability, enterprise and citizenship skills.
