Content

The SVQ Hairdressing SCQF 6 offers progression for individuals who have completed the SCQF 5 course or those who have extensive work experience and are looking to advance their skills in hairstyling.

The programme offers an advanced exploration of the craft, refining and learning new techniques such as advanced colouring, cutting and styling. The curriculum includes units that are essential in becoming a full stylist, and places emphasis on salon management skills, health and safety and promotion of products and services, preparing students for leadership roles within the industry.

You will benefit from learning at our commercial salon, House of Morven, giving you the practical knowledge and customer skills required to develop & maintain positive working relationships with customers and members of your work team.
