Content

This online course will take you through the steps of preparing and performing your own gig. The course is entirely online which means that you can study at your own pace with weekly drop-ins to catch-up with your tutor.

With the skills built up on this course you will have the knowledge to set up your equipment, prepare, promote, and then perform a gig, either online or in front of a live audience.

Content will include:

Sound reinforcement; Understanding the signal path; Creative project; Live performance promotion in the UK music industry.

Start Date

August

Qualification

NQ

Study Method

Part time (day)

Course Length

19 weeks

Department

Creative Industries

Entry Requirements
