Content

The Supported Learning Programme is designed for individuals with recognised support needs who want to grow, learn, and connect in a welcoming and inclusive environment.

You can choose to attend some or all classes across a variety of subjects, while also taking part in fun, creative, and social activities. It's a great opportunity to develop new skills and spend time with friends in a friendly, supportive setting. This course offers a positive, empowering space where students with additional support needs can learn, achieve, and thrive.
