

Electrical Installation (Electrician) - Pre-Apprenticeship (Level 5)

UHI Perth

Venues

Main Campus

Content

This course provides transferable core skills, foundation skills and workshop training for those who aspire to a career in the industry. It also provides a pathway to advanced levels of study. This course will give you the opportunity to develop a strong underpinning knowledge to help you develop a career in engineering. This is a modern, up-to-date programme with national recognition.

You will complete electrical workshop exercises which will be backed up by electrical theory and will prepare you to come back as an electrical installation modern apprentice.
