Plumbing - Pre-Apprenticeship (Level 5)

UHI Perth

Venues

Main Campus

Content

This course will provide craft vocational training in the plumbing trade. Successful applicants will follow the same attendance programme as the industrial apprentices. This vocational qualification is designed to prepare people for employment, for career development or for progression to further study.

The course will give you an introduction to: plumbing services, hot and cold water systems, domestic plumbing appliances, sheet lead weatherings, and waste pipe systems.
